

BioCryst SPARK Award Application

Submit completed form and required documents to: BioCrystSPARKaward@biocryst.com

All materials must be submitted in English by the program deadline.
Only independent preclinical and/or clinical research is supported.
Product-only requests or head-to-head comparisons will not be considered.

ELIGIBILITY CRITERIA

Who qualifies

Earlier stage investigators may be prioritized. MD, DO, PharmD, PhD, or equivalent terminal degree; typically within 10 years of terminal training or first independent appointment.

Required affiliation & role

Must be affiliated with a U.S.-based academic institution, hospital, or recognized research organization and serve as Principal Investigator for the proposed research. Applications are open to U.S.-based investigators only.

Not eligible; fair review

One application per cycle. Excludes commercial entities / CROs applying on behalf of investigators. Career interruptions may be disclosed and considered.

1 APPLICANT INFORMATION

Provide the principal investigator's details. A current CV (1-5 pages) is required as an attachment.

First Name *

Last Name *

Degree(s) * e.g., MD, PhD, PharmD

Institution / Affiliation *

Mailing Address *

Contact Email *

Phone

☐ CV attached (PDF, 1-5 pages)

2 COLLABORATING RESEARCHERS

If applicable, list co-investigators or other researchers contributing to this study.

Name and Degree	Role / Contribution

If additional space is needed, please attach a separate sheet listing further collaborating researchers.

3 PROJECT OVERVIEW

Project / Study Title *

Study Designation *

☐ Preclinical ☐ Clinical ☐ Other

Study Timeline * expected start & duration

Study Objective *

Study Rationale and Background * include relevant citations

Relevance to Angioedema *

Study Design and/or Methods *

Patient Enrollment number of subjects, if clinical

High-Level Budget Estimate * e.g., USD 250,000

Expected Results and Conclusions * how this study adds to existing knowledge

Publication Plan include planned meetings/journals

Support Request describe nature of support — product-only requests will not be considered

Has this proposal been submitted to any other organization or program? *

☐ Yes ☐ No

If Yes, provide details of the submission and current status.

4 REQUIRED DOCUMENTS

Attach the following with this application. If invited to subsequent rounds, a full proposal with detailed budget will be requested.

- ☐ Curriculum Vitae (1–5 pages)
- ☐ One-page research proposal — objective, study design, relevance to angioedema, high-level budget
- ☐ Additional supporting documents (optional) — budget detail, references, etc.

5 POLICIES, INDEPENDENCE & CONSENT

Independence statement. BioCryst supports only independent preclinical and/or clinical research. BioCryst does not influence study design, conduct, analysis, or publication. Product-only requests will not be considered.

Please confirm each of the following:

- ☐ I confirm all submitted materials are in English and will be received by the program deadline.
- ☐ I confirm this is independent preclinical and/or clinical research; BioCryst will not direct study design, conduct, analysis, or publication.
- ☐ I consent to the processing of my personal data in accordance with the BioCryst Privacy Policy.
- ☐ I understand that requests solely for BioCryst product will not be considered.
